# TIPS FOR VISITS

## Reminders:

It is a 1/2 mile walk to the General Assembly Building from the Convention Center. Please allow enough time to go through security before your first legislative meeting.

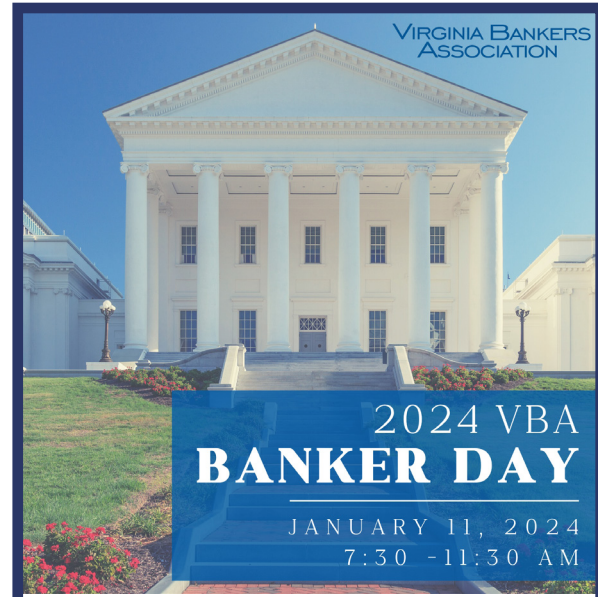

**If you have made an advance appointment**, you should be able to see your Senator or Delegate at the appointed hour. **If you have not made an appointment**, go to the office and tell them you are a constituent from the district and would like to see the Delegate or the Senator. If you are told he or she is not in, ask if there is a time you can come back prior to your departure time. You can also ask to meet with the legislative aide to discuss your bank and our key issues.

Remember to leave your business card, any VBA talking points, and an offer to connect back in the district after session.

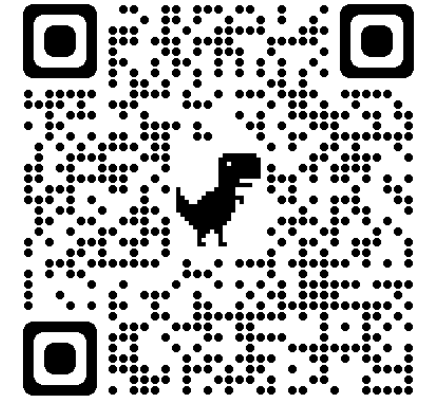

There is a spacious cafeteria and coffee shop on the first floor and open spaces with seating outside committee rooms on the 2nd and 3rd floors if you have time between meetings and want to grab a coffee or check your emails.

## Send Us Your Banker Day Pictures:

Please remember to take photos of your group with your legislator(s). Submit them to Monica McDearmon via text to (804) 363-9347 or email to [mmcdearmon@vabankers.org](mailto:mmcdearmon@vabankers.org) and tag the VBA on social media so we can highlight our advocacy efforts in future VBA publications.
