

For Immediate Release

From the time of our forebearers traveling the Wilderness Road through the Mountains to find opportunity for their families, our people and the land have been as one.

Now the place that we love dearly, and call home has been impacted by a horrific and tragic storm.

Our thoughts, prayers and love go to each person and each community impacted.

Another endearing quality of our people is their kindness, care, and willingness to support our neighbors.

The Community Banks of Southwest Virginia stand together and ready to do our part for the region during upcoming recovery efforts.

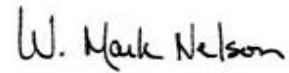

Our region is not just a place, it is a way of life, and our banks are proud to call it home.
